

**Don't Wait. Vaccinate.**

**Adolescents may not have time to get their routine vaccines\* this summer.**  
*Get ahead of it.*

Help protect them from these serious illnesses:

✓ **Meningitis**  
(2 vaccines)

✓ **Whooping Cough**

✓ **Cancers caused by HPV**

✓ **Flu**

Adolescents ages 12 and up can get their **COVID-19** vaccine too.

**It's safe to visit your health care provider.**

***Schedule your vaccination appointment now.***

United for adolescent vaccination

\*Visit the [CDC](https://www.cdc.gov/vaccines/imz/downloads/pdf/2021-2022-child-immz-schedule.pdf) Recommended Child and Adolescent Immunization Schedule and [unity4teenvax.org](https://unity4teenvax.org) for more info!
