

DON'T WAIT. VACCINATE.

Now is the time to catch up adolescents on missed well visits and vaccines

ADOLESCENT WELL VISITS ARE IMPORTANT

About $\frac{3}{4}$ of parents and teens believe it is important to safely visit the doctor. Well visits are critical for time-sensitive screenings and immunizations.

4 IN 10 PARENTS

report missing or delaying a healthcare visit for their teens during the pandemic.*

NOW IT THE TIME TO CATCH UP

8 in 10 parents believe routine vaccines are important for teen health.* Make sure your teen is up-to-date on routine vaccines and ready for in-person learning, sports, camps or other activities.

SCHEDULE YOUR ADOLESCENT'S WELL VISIT NOW

Doctor's offices, clinics, and pharmacies have taken steps to ensure your teen's safety during a visit. Contact your healthcare provider to learn more.
